*2 Storey side extension, new pitched roof to conservatory.*

Cllr Hewer presented the plans to the meeting. These were scrutinized.

The meeting had no objections to the new pitched roof on the conservatory as it is at the rear of the property.

However, the meeting raised concerns regarding the scale of the two storey extension; a single storey extension would be preferable, noting that although other properties in the road are of varied design and construction, they are all of similar scale. The proposed extension would be out of proportion with other properties in the road.

**RESOLVED:** To object to SDNP with regards to the scale of the proposed extension
