SDNP/17/02610/LIS

Partial demolition of contemporary single storey rear extension and erection of new orangery (Full Planning & Listed Building Consent)

Cllr Burr presented the plans to the meeting. These were scrutinized.

Members raised concerns regarding the size and style of the large sheets of glass forming the orangery, as such glazing was unknown in the period to which the house belongs. Members would hope that any permitted extension should instead be of a style and materials compatible with the original house.

Members agreed that the proposed orangery would be an anachronism, and out of keeping with this sensitive 17th century house, which with the adjacent Saxon Church forms the historic heart of Hardham village.

RESOLVED: **To object to SDNP regarding the proposed application.**

Installation of 1No. Polymer Make Up and Dosing Kiosk and 1. No Centrifuge Kiosk and Platform.

Cllr Burr presented the plans to the meeting. These were scrutinized.

Members had no objections to the application.

RESOLVED: **To offer no objection to SDNP regarding the proposed application.**
